Who is We?

We-Languages is a hub of linguistic passion and innovation. We're on a quest to redefine language education, and we're searching for an enthusiastic Part-Time Sales Associate to champion our vision.

The Role:

As a Sales Associate, you'll be the driving force behind our language courses, ensuring our learners are fully engaged and getting the most out of their experience. You'll play a fundamental role in both course promotion and learner satisfaction.

Why Join We?

Flexibility: Choose when and where you work, with the freedom to manage your own success. Your earning potential is directly influenced by your efforts, with a commission of 5% on your sales and an enhanced 10% on monthly sales above US\$15,000.

Additional Perks:

Reap the rewards of your hard work with Performance and Excellence Bonuses, and boost your earnings by participating in 2 to 4 annual sales campaigns, where top performers receive significant bonuses.

Join Our Team and Empower Language Learning!

Career Growth:

Prove your mettle, and you could transition to full-time employment, where our compensation package evolves to include a base salary plus commission — a testament to our commitment to your development and recognition of excellence.

Your Impact:

Engage directly from a product's inception and contribute to strategic market growth. Expand your digital and entrepreneurial skills in a real-world setting. Excel in your role and be considered for an extended offer or future career opportunities with us.

Who We Are Looking For:

- A passionate advocate for language education and digital marketing.
- Someone with exceptional communication skills and a persuasive presentation style.
- An eager learner ready to absorb and implement new strategies for growth.
- A team player who is just as comfortable taking the initiative on solo projects.

Ready to transform language learning with We-Languages? Apply now and be part of a team that values flexibility, rewards performance, and invests in your future.

Sales Strategy

After graduating from university, I started my first job at ***** Limited, a Fashion design manufacturing company. I joined ***** because I wanted to work in fashion design. However, I was assigned to the Human Resource (HR) division of the head quarter, working in the labor section of the administrative department. I was dissatisfied and disappointed, because I thought that I finally landed a job with an fashion industry and yet was placed in HR.

The significance of ***** job is that it allowed me to understand the functions of an HR department, such as recruitment, labor evaluation, labor affairs, training, and welfare. I was personally excited with various tasks during this time. Even though I was a new employee, I was tasked to conduct the evaluation of senior employees. I was also sent on business trips for Ameyo Agency and Takayama to ...

Wisconsin

Wisconsin is a US state in the north-central, Midwest and Great Lakes regions of the country. It is bordered by Minnesota to the west, Iowa to the southwest, Illinois to the south, Lake Michigan to the west, Michigan to the northwest, and Lake Superior to the north. Wisconsin is the 23rd largest state by total area, and the 20th-most populous. The state capital is Madison and the largest city is Milwaukee, which is on the western shore of Lake Michigan. The state is divided into 9 counties.

Wisconsin's geography is diverse, having been greatly impacted by glaciers during the Ice Age with the exception of the Driftless Area. The Northern Highland and Western Upland along with a part of the Central Plain occupies the western part of the state, with lowlands stretching to the shore of Lake Michigan. Wisconsin is third to Ontario and Michigan in the length of its Great Lakes coastline.
